The background of the book cover is a vibrant, marbled pattern in shades of purple, blue, and yellow. Overlaid on this are several thick, white, brushstroke-like horizontal bands. The title is written in large, bold, sans-serif capital letters across these bands. The word 'MAGIC' is highlighted in a golden-yellow color, matching the marbled background's accents.

**MUNDANE**  
**OR MAGIC**  
**LIFE AUDIT**

by Nikki Wouters

## SUGGESTIONS:

- Take the time to calm your mind, get grounded and consider each statement.
- Awareness is a must - judgement has no place here.
- Whatever your result celebrate this step, honour where you are and trust your are more ready than ever for a magical life.

Take an inventory of where you are currently. Rate yourself from 1 to 10.

- 1 Being my own person, knowing my own mind and trusting myself to go my own way is a non-negotiable for me. I am heavily guided by intuition. 
- 2 Each relationship in my life has a place and a purpose. I am clear on my boundaries and they are honoured. 
- 3 I am clear on my values, my standards and my priorities. In fact, all aspects of my life reflect what is important to me. 
- 4 My day has been designed purposefully to incorporate what I desire to do. I know that each task and activity is a choice and I am happy to commit to them. 
- 5 I wake up excited and eager each day. I am curious to see what the day brings and believe that manifestations and miracles are on the way! 
- 6 I am healthy and I feel great in my own skin. I have created a fantastic relationship with my mind, body and soul. 
- 7 My life has meaning. There is something beyond myself and my comfort that drives me forward and keeps me motivated. This is my mission - my purpose - my guiding light. 
- 8 Abundance is a part of my life. I manifest money with ease and I trust that there is always more on the way to me at all times. 

**You are a powerful creator.**
